

## Limited warranty - 3 years

KSF's Electric portable lifter are carefully constructed, thoroughly inspected at various stages of production, and individually tested.

They are warranted to be free from defects in workmanship and material for three years from the date of purchase.

If a problem develops during the warranty period, return the complete product as directed below for CE countries or your dealer for other countries.

If inspection shows that the problem is due to defective workmanship or materials, the product will be repaired or replaced without charge.

### **WARRANTY DOES NOT APPLY WHEN :**

- Product overloaded (each lift have an overload protection, clutch system)
- Motor over loaded (more than the ED of 30 %)
- Repairs are required due to abnormal wear and tear
- The product has been abused, misused or neglected
- Alterations have been made to the product
- Lift no checked once per year by an independant organism according to the lifting regulation.

A problem not covered under warranty will be corrected automatically, unless the customer includes a written request for notifications of costs prior to repair. Otherwise the customer assumes all responsibility for repair costs and agrees to receive the repaired product on a COD basis.

### **To obtain warranty service**

For purchase in Europe  
Please include your name, adress and phone number  
Indicate « Warranty return »  
Ship product - prepaid directly at
