CM 520

CM 340

The all purpose lifter is 'the' multi purpose device, an essential piece of equipment for any business involved in fitting air conditioning units and all loads

Any one of the range will make better use of man power, turning a 3 man lifting job into a 1 man lifting job.

This range of portable lifting equipment will give your business the edge over your competition.

Better deploy manpower on site, make lifting jobs easier and the overall installation of loads quicker.

UPTER
design
